

CCA-UK ANNUAL MEETING

14 November 2019

JUBILEE CONFERENCE CENTRE
UNIVERSITY OF NOTTINGHAM

This year CCA-UK annual meeting will have a basic science theme. A full programme is planned, featuring a series of invited speakers and talks from abstracts. There will also be a moderated round table discussion on key questions in the basic science of Cholangiocarcinoma and where next.

This year will also see the inauguration of the Neil Blenkinsop Memorial Lecture, to be given by Dr Chiara Braconi of the University of Glasgow. Lunch will be provided alongside viewing of posters. The meeting will run from 9.00am to 5.00pm.

Abstract deadlines:

- Talks - 14 October 2019
- Posters - 28 October 2019
